Brothers and Sisters in Christ,

Asante (Thanks) for praying for us during July and August. We praise the Lord for how He is answering prayer and causing our churches to grow. **(Acts 2.47)**

We held back to back weeks of Kids' Bible Camp (V.B.S.) August 9-20 at Zion Rd. Indep. Baptist Church and Santon Indep. Baptist Church. We taught on the theme of *Victory by Faith* from the Book of Joshua. The Lord allowed us to counsel about 110 children for salvation in the two churches.

We have seen a couple of adults accept Christ on door to door visitation and on August 22 baptized four adults. Please pray for the spiritual growth of Nelson, Catherine, Michael and Jane. A Sudanese teenager named Peter also was saved in July and we have been excited to see his spiritual growth as we taught him in a weekly discipleship Bible study before returning to boarding school.

On September 5th we begin a new children's Sunday School program at *Zion Rd. Indep. Baptist Church*. We are excited about the prospect of both spiritual and numerical growth. We now average about 100 children each Sunday along with 80 adults and teens.

The first week of Sept. *Independent Baptist College of Ministry* resumes classes for term three. Mike will be teaching *Church History*. We are working out the details of our building permit so we can complete the construction of the college classroom building in the next few months.

We praise the Lord that the Constitution referendum on Aug. 4 was completely peaceful. Now the country begins a long process of transition under a new constitution.

Thank you for your faithful prayer and financial support.
