Baptist Church
Kisii, Kenya**

In November, Raganga Independent Baptist Church was started, and in April, Kegogi Independent Baptist Church was started in the Western part of Kenya . This past week Tom and two other men from church went to help Pastor Charles with a three day movie and evangelistic meetings. God blessed and there were 80+ salvation decisions.

1 Corinthians 3:8-9 (King James Version)⁸Now he that planteth and he that watereth are one: and every man shall receive his own reward according to his own labour. ⁹For we are labourers together with God: ye are God's husbandry, ye are God's building.

Prayer Requests

- Pastors conference in early June.
- Workers, finances, and materials for the crusade in June 2012.
- Meetings for upcoming furlough from July to December.
- That Kegogi Independent Baptist Church will make a great impact in Kisii for our Lord.
- God's continued blessing as 3 of our Kenyan Pastors take over all aspects of the Bible Institute in our absence.

The rainy season is upon us. It is nice to see the green grass and beautiful surroundings flourish. This month we had the privilege of seeing over 80 people come to know the Lord through different outreach programs. Please pray for Pastor Charles, the national pastor, as he contacts these people and works on disciplining them. Please pray for the evangelist and other pastors coming next month, as they prepare to teach courses for the Pastors conference in June. This conference will help in preparation for the upcoming Crusade in June of 2012. Please pray for us as we head back to the states for a 6 month furlough to raise financial support for our family needs, ministry needs and the crusade. We are excited about the opportunity and look forward to seeing how the Lord will work in the hearts of people to get involved, perhaps even by joining us in Kenya on a short mission trip to help with the crusade. We know the economy is struggling but we serve a God who owns a cattle on a thousand hills. We know He will provide for it and we are excited to see who He will use to bring this to fruition. We will be back in the states from the middle of June until the end of the year. Tom is in the process of setting up meetings. If you would like us to come and share our ministry please email him with dates that would work for you and we will do our best to accommodate you. Thank you for your continued prayer and support. *In His Service, The Canfield Family*
