Dear friends,

John 6:63 states 'it is the spirit that quickeneth: the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life! God has been good to us here in Aibonito. We are beginning to see the ministry grow numerically and spiritually!

Our youth group has been blessed these past months. Not diminishing the other activities, camp was definitely one of the highlights. We were able to raise all the money needed for camp and have already started working towards next years' camp tuition! Many of them made decisions which are helping them grow in the Lord. We have also had many returning visitors who we are actively reaching for the Lord. We thank the Lord the for two of our young people who have started bible college and hope that many more will follow the example to serve the Lord.

I am constantly working with the choir preparing for different activities. I praise the Lord for those who have committed to this ministry to serve the Lord in song. I am by no means a music director but strive to impart that which I learned from college choir at college. We were able to present through song the great love of God and were a great blessing in many services. We are actively preparing for our missions conference and our Christmas cantata!

Our visitation and discipleship ministries are going well. We have had some great visits these past months with many making profession of faith and some who have come to visit our church. We hope to follow – up and have them place the faith and trust in the Lord. I am also discipling two young men, one of which I had the pleasure of leading to the Lord. Please pray for them as I hope to soon lead them through believer's baptism – the first step in obedience to our Lord.

I am now temporarily in charge of the Sunday school department helping to better our Sunday school program. We hope to have a Sunday school Sunday where each class can show what they have learned. We are also having teacher trained in hopes of having two teachers to each class room. We also hope to update our materials and methods to better facilitate learning and application.

Please continue to pray for me and for the ministry here in Aibonito including:

1. Overall ministry growth making every member a minister.
2. Financial support – Hope to return to the states soon to raise support.
3. Spiritual growth for Omar and Jonathan.
4. Salvation of family members.
5. Two unspoken requests that I have before the Lord.

Only by His Grace (Romans. 8:28)

Roger Alex Papius
